

Gullfoss Room (A)

Geysir Room (B)

Hekla Room (F&G)

9.00-10.00 Refresher Course The kidney in anaesthesia and intensive care.

Chairmen: Leena Lindgren, Finland & Felix Valsson, Iceland.

9.00-9.30 Anaesthesia for the dialysis dependant patient.

Gurinder Vasdev, USA.

9.30-10.00 Prevention and treatment of postoperative renal failure.

Sven-Erik Ricksten, Sweden.

10.00-10.30 Coffee

10.30-17.00 Refresher Course Haemodynamic monitoring in anaesthesia and intensive care.

Chairmen: Anders Larsson, Denmark & Hans Flaatten, Norway.

10.30-11.00 Haemodynamics made easy.

Mervyn Singer, UK.

11.30-12.00 Pulmonary artery thermodilution.

Stephan Jakob, Switzerland.

9.00-14.00 Refresher Course Monitoring depth of anaesthesia.

Chairmen: Sven Erik Gisvold, Norway & Sigga Kalman, Sweden.

9.00-9.30 Awareness.

Rolf Sandin, Sweden.

9.30-10.00 Auditory evoked potential.

Johan Raeder, Norway.

10-10.30 Coffee

10.30-11.00 Bispectral index, entropy.

Jan Jakobsson, Sweden.

11.00-11.30 Cutaneous conduction, cerebral state monitor.

Johan Raeder, Norway.

9.00-10.00 Symposium The Scandinavian Critical Care Trials Group.

Chairmen: Anne Berit Guttormsen, Norway & Else Tonnesen, Denmark.

9.00-9.10 Introduction of the SCCTG network.

Sigurbergur Karason, Iceland

9.10-9.20 The glutamine study.

Jan Wernerman, Sweden.

9.20 – 9.30 The Northern Hypothermia Network.

Hans Friberg, Sweden

9.30-9.40 Registry of sepsis in Scandinavian ICUs.

Ola Winso, Sweden.

9.40-9.50 Registry of ICUs in Scandinavia.

Hans Flaatten, Norway.

9.50-10.00 Discussion.

10.00-10.30 Coffee

10.30-12.00 Symposium Perioperative considerations of alternative drugs.

Chairmen: Jannicke Mellin-Olsen, Norway & Hjordis Smith, Iceland.

10.30-11.00 The substance-abusing patient.

Ann Moller, Denmark.

11.00-11.30 Herbal medicines and anaesthesia.

Girish Hirlekar, Iceland.

11.30-12.00 Explanations for increased interest in alternative and complimentary medicine.

Helgi Sigurdsson, Iceland.

Gullfoss Room (A)

Geysir Room (B)

Hekla Room (F&G)

12:00-13:00 Lunch

11:30-12:30 Lunch

12:00-13:00 Lunch

Refresher Course (continued) Haemodynamic monitoring in anaesthesia and intensive care.

13.00-13.30 Transpulmonary
thermodilution.

Hans Flaatten, Norway.

13.30-14.00 Transpulmonary lithium
dilution calibrated pulse wave analysis
cardiac output.

Ola Stenqvist, Sweden.

14.00-14.30 Partial CO₂ rebreathing.

Ola Stenqvist, Sweden.

14.30-15.00 Coffee

15-15.30 Transesophageal Doppler
ultrasonography.

Mervyn Singer, UK

15.30-16.00 Haemodynamic monitoring
in paediatric patients.

Per-Arne Lonnqvist, Sweden.

16.00-16.30 Evaluating tissue perfusion
with near-infrared spectroscopy.

Hendrik Bracht, Switzerland.

16.30-17.00 Which method to use when
in anaesthesia and intensive care?

Panel discussion with participation from
the auditorium.

Refresher Course (continued) Monitoring depth of anaesthesia.

12.30-13.00 Cost-effectiveness and drug
consumption.

Rolf Sandin, Sweden.

13.00-13.30 Pros and cons of different
methods.

Siv Hoymork, Norway.

13.30-14.00 Should we monitor every
patient?

Panel discussion with participation from the
auditorium.

14.00-14.30 Coffee

14.30-16.30 Refresher Course The heart in anaesthesia and intensive care.

Chairmen: Guðmundur Klemenzson, Iceland
& Sven-Erik Ricksten, Sweden.

14.30-15.00 Anaesthetics and the
myocardium.

Philippe Housmans, USA.

15.00-15.30 Pharmacological prophylaxis
and therapy of perioperative myocardial
ischaemia.

Pierre Foex, UK.

15.30-16.00 Inotropic and vasodilator
therapy in the postoperative period.

Philippe Housmans, USA.

16.00-16.30 Management of cardiogenic
shock.

Sven-Erik Ricksten, Sweden

13.00-15.00 Symposium Chronic pain for the general anaesthesiologist.

Chairmen: Ola Dale, Norway &
Girish Hirlekar, Iceland.

13.00-13.30 From acute to chronic pain.

Mads Werner, Sweden.

13.30-14.00 Pharmacological treatment of
chronic pain.

Guðmundur Björnsson, Iceland.

14.00-14.30 Invasive treatment of chronic pain.

Bjarni Valtýsson, Iceland.

14.30-15.00 Cognitive behavioural approach
and rehabilitation.

Inga Hrefna Jónsdóttir, Iceland.
